

ANACOSTIA CITIZENS  
TO ASK EXTENSIONS

Will Request Utilities Commission to Lengthen Anacostia, Suitland and Congress Heights Lines.

Since the new Utilities Commission has been established members of the various civic bodies in the eastern section of the city have been busy formulating plans to request the extension of at least two lines in that community. One of these is the read from Anacostia to Suitland, Md., by way of Good Hope Road. Another extension is that of the Anacostia line from its present terminus at Congress Heights, to a point just beyond that suburb, a distance of a little more than a mile. E. J. Newcomb, chairman of the special committee that will appear before the commission, and he has asked representatives of the Anacostia association to accompany him.

Salem Lodge, No. 22, Independent Order of Odd Fellows, of Anacostia, met last evening in the local Masonic hall, initiated work was accomplished. J. T. Dent is noble grand of the lodge. Under the auspices of the Ladies' Guild of Emmanuel Episcopal Church, a chicken supper was served last evening in the basement hall of the church in V Street. Later in the evening the young people enjoyed music and dancing in the large hall.

It has been learned that an item of \$2,000 for improving and widening Nichols Avenue from Good Hope Road to

Howard Avenue, is included in the Commissioners' budget to be submitted to Congress. Last session the same item was included, but did not pass. It is the desire of the officials to improve this roadway at the same time the underground street railway system is placed through the suburb.

To keep vegetables fresh longer than ordinarily, a Wisconsin inventor has patented a tank in which cold water is periodically forced over them.

## WANT AD HOROSCOPE.

**MAY 16.**  
Give your child with this birthdate the best of education and cultivate his ideals. Taurus, the sign governing this birthdate, is peculiarly one and presents many difficulties to be overcome. The lesson of self-control must be learned early in life. Remember that a Taurus person who can and does succeed in controlling his lower nature, becomes a giant of power, physically and mentally and is able to control and sway great bodies of people. The temper of the Taurus person is hard to deal with. They will kick and rear, when infuriated, like a wild animal and the best thing to do is to leave them entirely alone. This date gives strength and permanency to all real estate exchanges and sales. Domestic, cooks, waitresses will be favored through the Want Ads.

FIREFIGHTERS' GRAVES  
ARE FLOWER STREWN

Department's Memorial Day Is Remembered and Chief Wagner Decorates Rusted Places.

Ninety-ninth anniversary of the death of the firemen who have given their lives to save others, and those who have died of natural deaths, were strewn with flowers yesterday, for it was the annual memorial day of the fire department. Three supply wagons of the fire department, loaded with wreaths, visited the many cemeteries about the city and the graves of departed firefighters were covered with flowers.

Fire Chief Frank J. Wagner decorated the graves of the late Chief William T. Belt, in Glenwood; Chief Martin Cronin, in Mount Olivet, and Chief George Holmes, in Holy Hood. As each cemetery in which are graves of firemen a committee had charge of the placing of the flowers. Capt. J. T. Rosier was stationed at White Marsh; Mrs. M. T. Wilson at Alexandria; Lieut. C. C. Bassford, at Oak Hill; Private J. Sullivan, at Holy Hood; Mrs. M. A. Oliver, at Andrew chapel; Assistant Driver Harrison, at Arlington; Driver R. J. Holmes, at Harmony, and A. Savoy, at Woodlawn. The wagons conveying the wreaths were in charge of Privates W. M. Davis, M. Purcell, R. B. Wright, P. Lunsford, E. J. Dwyer, and Assistant Driver J. Bentley.

## Motion Picture News

## A Daily Feature in the Herald.

This daily news feature of The Washington Herald is for the benefit of everybody interested in motion pictures. Suggestions, comments, criticisms, inquiries, and questions are invited. Address communications to Motion Picture Editor, Washington Herald.

The Society for the Prevention of Tuberculosis has for the past several years issued, through the Edison Company, a photoplay at Christmas time with a strong plot showing the cause, necessary to prevent this disease, and the good work accomplished by the society. These reels are used by the Red Cross Society for teaching purposes and the raising of funds, and they are also given in the regular services of the exchange. They have caused many a selfish person to think.

E. T. Lux, who has been active in the management of the Washington Film Exchange, the local distributing office of the Universal Film Company, yesterday resigned his position, and will ally himself with other film interests.

Marcus Notes, owner, and Manager Sommer, of the Empress Theater, President William P. Herbst, of the local Motion Picture Exhibitors' League; Manager Lux, of the Washington Film Exchange, were present yesterday morning at a private exhibition of "The Toll of War" and pronounced it a wonderful photoplay production. The photoplay is excellent and the situations interesting in the Lincoln death bed scene with the members of his Cabinet impersonated. The voluntary censorship of the management of the Empress is commendable.

When the talkies are common. No more will we see that lonely place, "That Movie Show's a Con." But any better, one of these days. "That Movie Show's a Con."

Do faring posters help the motion picture business? We doubt it.

Theodore Kerner, a great military feature film, with 4,000 cavalry in action, is to be shown at the Virginia today.

Labor conditions have become better understood through the use of the motion camera, bringing to the officials reports more exact than is possible in a

report of words. The Department of Labor is making use of this means to supplement its investigations.
